

Volunteering is critical to the success of our school, both physically and in building a sense of community. Every family is expected to contribute their talents and time to fundraising, community, or classroom endeavors with a **minimum of 10 hours** (15 hours if more than one child is enrolled and half-time for a mid-year enrollment). A per-hour payment of **\$10/hour** is charged at the end of the school year for families who have completed the minimum required hours. **Please use the enclosed volunteer time sheet to keep track of your hours.** The volunteer time sheet may also be printed from our website. By **May 1st** your time sheet should be turned in to the office. You will then receive an invoice for any hours missed. **If you do not turn in the time sheet, we will assume you have volunteered no hours and charge you the full amount.** The school makes every effort to connect families to volunteer work that fits their interests and abilities, and our goal is that no one uses the payment option.
